SUMMER  
2011

### Message to Parents

Sending your children to camp can be a big decision, especially if it's their first time. LCLC is committed to providing your children with safe opportunities to explore their faith while building relationships with God and others.

Our staff members are carefully selected disciples led by their love for God and for children. Each staff member completes specialized training before working with your children and leading camp activities. A nurse, certified water-safety instructor, and lifeguards are in attendance at LCLC all summer to provide for the health and safety of each camper. Our staff is led by Lee M. Lindeman, Executive Director.

At LCLC your children will develop life skills that will provide them with greater success back home and in school as they gain independence and serve as Christian witnesses with their peers.

Your children are your most precious gift and our biggest blessing. We look forward to partnering with you in raising your children in the faith!

Check us out on Facebook and become an LCLC Fan. Search Facebook/LCLC (Lake Chautauqua Lutheran Center). Fans receive regular updates and information about what is happening at camp."

### Biblical Theme of the Summer: "Weak but Strong!"

"Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and the sin that clings so closely, and let us run with perseverance the race that is set before us!" Hebrews 12:1

The Bible is full of heroes who come in all shapes, sizes and abilities. One thing we have in common with them is our tendency to make mistakes as we live out our faiths. This summer we'll explore what it means to be weak in our sinful human ways, yet strong in the amazing love of Jesus. Because of the love and grace of God for all people – including us, we are **"Weak but Strong!"**

LCLC is accredited by the American Camp Association and complies with all NY State health regulations.
