

Blacksmithing For Beginners

at Lake Chautauqua Lutheran Center
October 22, 2016

Please join us for a day of forging and fellowship in which you'll be introduced to the basic blacksmithing techniques of fire management, drawing-out, upsetting, cutting, bending, and twisting. Using these techniques you will heat a piece of iron to a brilliant glow and with an anvil and hammer create a decorative and useful piece of ironwork. **New this year** for more experienced beginners will be instruction in forge welding. This is the process that joins two pieces of metal by heating them to a high temperature and then hammering them together.

Program offerings include:

- *Basic blacksmith instruction by experienced teachers
- *Coal, steel, and use of tools
- *Morning coffee and snacks
- *Lunch

This is an outdoor event, so please dress appropriately. **Space is limited** to 12 participants.

WHEN: Saturday, October 22nd from 9:00AM to 4:00PM

COST: \$35/person
